THE CENTER FOR AMERICAN ART

Salmagundi Club

Welcomes you to its 1984 Spring Auction series, a tradition of the Club since the early 1900's. Paintings with our auction labels on the back, frequently turn up at estate and auction sales throughout the United States and are purchased in the thousands of dollars. It is our belief that our auctions are your best source of fine art at prices far lower than their real potential value. We respectfully request that you also consider that each artist who submits to this auction is doing a great service to Salmagundi by his donation of 50% of the auction bid. This is a major source of the Club's income, which enables us to continue to bring you art of this caliber for prices you, as the buyer, set. Salmagundi was founded 112 years ago, making it the oldest professional art organization in America. There are many activities offered in this lovely Victorian building which has been designated an historic landmark by the New York City, New York State and Federal governments, as well as being the Center of American Art since 1871.

Visitors are welcome; membership by artist, and lay persons interested in the arts, is encouraged. If you desire announcements of all our art exhibits and public functions, please leave your name and address with an attendant.
